**2023-2024 School Year**

Dear Parents and Families,

## **Thank you for choosing Success Academy!**

Our goal is to provide a welcoming, safe, and developmentally appropriate environment for every child. Here at Success Academy, we strive to provide the very best educational experience for you and your child. The preschool years are an exciting and important time in our children's lives. We encourage you to participate in your child's school activities as often as possible.

We strive to work closely with parents in a partnership that will facilitate the transitions between home and school. Daily communications and a sense of trust between parents and teachers are vital.

We welcome your comments, questions, concerns, and suggestions about your child's experience and the program. We understand that nothing is more important than your child's early education and care experiences.

Please contact us if you have any questions and/or concerns.

We are looking forward to an exciting and fun school year here at Success Academy!

Should you have any questions and/or concerns, my door is always open!

Childhood is a journey, not a race. We are honored that you have chosen Success Academy for your child's journey.

All the best,

**Chudney Hill-Gregory**
